programs to assist buyers to find  
financing that fits their needs.

You no longer have to “sit on the fence”  
or wait to buy if you are ready.

Century 21 Grieves Real Estate has found ways for  
you to buy your home and can include a

**Grant for Up To  
\$10,000.**

The grant is forgiven as long as you stay in  
the home you purchase for 5 full years.

This is an excellent opportunity to get out of  
that rental situation and own your own home.

If you don't own a home, you could qualify for one of the new home mortgage  
loans now available. A first time home buyer also qualifies. A first time home  
buyer is defined as someone who has not owned a home for at least three  
years (so if you owned a home before, you could still qualify). Don't wait!  
Don't hesitate for this great opportunity for home ownership.
